VAT (non-EC customers): Foreign customers from states that do not belong to the EC receive an invoice including the CZECH vat. This invoice has to be balanced including all fees and VAT. Upon receipt of the duly stamped original export documents (e.g. form no. 3 of the single administrative document) from the last EC-customs office Czech auction Chomutov s.r.o. will reimburse the value added tax to the buyer.

VAT (EC customers): Intra EC deliveries subject to VAT are made at zero tax. The VAT has to be balanced by the buyer in his own country at its particular conditions on the sum of the purchase. Invoices are sent out net of tax. Upon registration it is essential that the buyer gives his intra-community VAT number, given to him by his tax authority. If this VAT number is not supplied, Czech auction Chomutov s.r.o. reserves the right to add the local VAT to the sum of purchases and fees.

Exclusion of warranty: All assets are used and will be sold "as is, where is". No warranty or guarantee is offered on any asset.

Dismantling/Collection: The buyer is responsible for dismantling, packing and collection of the equipment.

Collection time: Individual

By prior appointment only! Full payment is precondition for collection.

Further important info:

- 1) The buyer is responsible for ensuring that any equipment purchased may be exported from Czech republic into the buyers country.
